Delegation of Responsibility

The Superintendent periodically shall review existing attendance areas and recommend to the Board changes that may be justified by considerations of safe student transportation and travel, convenience of access to schools, financial and administrative efficiency, or appropriateness of the instructional program.

The Superintendent or designee may assign a student to a school other than the one designated for the attendance area when such exception is justified by circumstances and is in the educational interest of the student.

The building principal shall assign students in the school to appropriate grades, classes or groups, based on consideration of the needs and abilities of the student, as well as the educational program and administration of the school.
