

West Allegheny High School publishes our Career & College Pathways, which are aligned to the state’s sixteen Career Clusters in our annual Program of Studies. This Program guides students as they determine the best course of study for their specific career interests. Additionally, students are provided with example careers within each pathway and cluster. To see in more detail, please review pages 23-92 of our Program of Studies: <https://www.westasd.org/Downloads/POS%2024-25%20REVISED%201%20225.pdf>
